Hitech Laptop & IT Asset Policy

Objective
The purpose of this policy is to establish clear guidelines for the allocation, usage, security, and return of company-issued laptops and IT assets, while ensuring responsible and ethical usage by employees.

Applicability
This policy is applicable to all:

- Sales Employees
- Back Office / White Collar Employees
- Any employee issued a company laptop or IT asset

Laptop Allocation

- Laptops will be provided based on job role and business requirement.
- Approval from Reporting Manager and HR is mandatory.
- Asset details will be recorded in the Asset form.
- Employees must sign an Asset Handover Form at the time of issuance.

Code of Conduct (Usage Guidelines)

Professional Use

- Laptops are strictly for official and business purposes only.
- Limited personal use is allowed only if it does not impact work or security.

Prohibited Activities
Employees must NOT:

- Install unauthorized or pirated software
- Access inappropriate, illegal, or non-work-related websites
- Share company data with unauthorized persons
- Use the laptop for personal business or freelancing work

Data Security & Confidentiality

- Employees must ensure confidentiality of company data at all times
- Passwords must not be shared
- Sensitive data should not be stored on personal devices

5. Role-Based Usage

Sales Team

- Use laptops for:
  - Client communication
  - Reporting & CRM updates
  - Business presentations
- Must ensure data backup and secure handling during travel
