WORK FROM HOME (WFH) POLICY – HI-TECH INTERNATIONAL

1. Objective

The purpose of this policy is to regulate Work From Home (WFH) requests, ensure productivity, maintain transparency, and enable business continuity while providing support in genuine situations.

2. Applicability

This policy applies to all employees requesting WFH due to:

- Medical reasons
- Personal emergencies
- Any other justified situation approved by management

3. WFH Approval Criteria

WFH will be granted only under the following conditions:

- Submission of valid proof of situation, such as:
  - Medical certificate
  - Emergency justification
- Clearly defined duration of WFH
- Approval from:
  - Reporting Manager
  - HR Department

4. Duration of WFH

- WFH will be approved for a specific period only
- Any extension will require:
  - Fresh approval
  - Updated supporting documents

5. Monitoring & Productivity Control

- Upon approval of WFH:
  - HR will inform the IT Department
  - IT will enable WFH monitoring software/tools

- Employees are required to:
  - Remain available during working hours
  - Maintain regular system login
  - Update:
    - CRM call updates
    - Daily task reports

- Productivity will be monitored through:
    - Login hours
    - System activity
    - Output/deliverables

6. Salary & Compensation

- Employees availing WFH under this policy will be eligible for:
    - 50% of salary during the WFH period
    - Full salary may be considered only in exceptional cases with management approval

7. Non-Compliance

The following will lead to action:

- Failure to provide valid proof
- Low or no productivity
- Non-availability during working hours
- Misuse of WFH

Actions may include:

- Salary deduction beyond 50%
- Cancellation of WFH
- Disciplinary action

8. Company Rights

The company reserves the right to:

- Approve or reject WFH requests
- Revoke WFH at any time
- Modify salary terms based on performance
- Call employee back to office as required
